Dear [1.6]

I understand there has been a few queries relating to this tree. The was dying unfortunately so was felled due to public safety. I have enclosed a pic in case you are not familiar with the tree.

In regard to the replacement I have copied in [1.7] who is currently the Oxford County Council Tree officer who will be able to advise replacement of street trees as they hold the funding.

Kind regards

Dear Tree Team

I've been asked by residents why a Cherry Tree has recently been felled in the area outside the Mill St Cemetery.

There is also a lot of interest from residents in having more trees in Mill Street and in improving the pedestrian area outside Cherwell College entrance (at the bottom of the Osney Lane Footbridge)

Cherwell College have said they would be prepared to help fund this. And I would also contribute some ward funds.

Whats the best way to take this forward?
